

COUNTY POINTS.

GERMANTOWN.

One addition to the Christian church Saturday night.

Miss Mamie Slack is the guest of the Perrie House.

Miss Morin, of New Richmond, O., is visiting her sister, Mrs. West.

S. F. Pollock sold a house to some parties from Augusta. We did not learn the price.

Leonard Sheeler, formerly of this place, died near Tollesboro and was buried here the first of the week.

The sales of the property of Miles Wilson, deceased, took place last Thursday.

Julius Martin sold some property, stock, etc., at public sale on Saturday.

Miss Mattie Cord returned to her home at Millwood, Saturday. She is quite an attractive young lady, and, we presume, made many friends, while visiting here.

Maysville was well represented here Sunday. Among the number we recognized the following: J. M. Frazee and family Misses Mary and Emma Nolin and Dr. Clifton, who is teaching phonography in Maysville.

The colored brethren of the Christian Church gave a supper Saturday night for the benefit of their church. One darkey having more "spirits" than he could well carry, began to create a disturbance. The marshal's presence was required to quiet him.

Thomas Cooper, after a lingering illness died Thursday, at 4 p. m. The funeral discourse was delivered Saturday morning by Rev. Spates. His remains were then interred at the Christian cemetery. Mr. Cooper was fifty-two years of age and a zealous member of the M. E. Church, South.

Victor Hugo on Love.

There is within us an immaterial being, an exile in our bodies, which is destined to survive eternity. This being of pure essence and a better nature in our soul which gives birth to all enthusiasms, all affections, which apprehends God and Heaven. The soul, so superior to the body to which it is bound, would remain upon the earth in an unendurable desolation were it not permitted to choose from among all other souls a companion which shares with its misery in this life and happiness in eternity. When two souls which have thus sought each other, for a longer or shorter time, in the multitude, find each other at last, when they have seen that they agree together, that they understand each other, in a word that they are alike, then there is established between them forever a union ardent and pure as themselves, not to end in heaven. That union is love, true love, such, indeed, as very few men understand it. This love is a religion, which deifies the being beloved, which lives by devotion and enthusiasm, and to which the greatest sacrifices are the sweetest pleasures. Love, in this divine and true acceptance, elevates all the sentiments above the miserable human sphere. We are linked to an angel who lifts us unceasingly toward heaven.

A Pretty Girl's Silly Act.

From the San Francisco Alta Californian.
About noon yesterday a pretty young woman, Mary E. Willis, applied at the County Clerk's office for a marriage license permitting her to marry George C. Guttung, who only two hours before had been sentenced to serve a term of ten years in the State Prison at San Quentin for the murder of his wife. About the same time Justice Pennie was called out of his court room to go to the County Jail to perform the marriage ceremony and half an hour later the jail door was opened in answer to a knock to admit, on a permit from the Sheriff, "Judge Pennin, Mr. Guttung (a brother of the groom), and Miss Mary E. Willis." The trio were taken to the reception room, where they expressed a desire to see George C. Guttung and explained the object of their visit. Cell No. 25, wherein Guttung was confined, was opened and the party proceeded to cell No. 1, where Judge Pennie united the couple, the only witness present being the groom's brother. After an hour's conversation the newly-made wife and her brother-in-law left the jail and Guttung was locked up in his cell.

A freight train was wrecked on the Pan Handle Road at Greenfield, Ind. Considerable damage was done.

An \$8,000 damage suit has been decided against the Kentucky Central Railroad in favor of Frank McMurty.

About 65 per cent. of a full season, or 300,000,000 feet of lumber has been cut in the camps on the Chippewa.

BATCHELDER'S Ventilated Egg Case.

Patented February 15, 1881.

Indispensible to Merchants Shippers
And Producers.

The outside frame of this carrier contains five trays, held in place by fasteners at end of case, as seen in cut. These Trays are constructed in reversible halves. The above cut shows one whole tray filled ready to be placed in case, each egg resting in its cardboard socket in such a manner as to be readily counted, candled, or transferred from tray to tray, or case to case, without rehandling.
For cold storage this case will store 60 dozen with racks made to receive the half trays, hence this is the cheapest storage case manufactured, saving largely in space.
The manner of holding the eggs on end prevents oscillation, adding, or breakage, and adds greatly to their freshness when carried long in storage. Size of 30 dozen No. 1 cases 25x12x14, weighs 20 pounds.

PRICES IN CHICAGO.
Shipper's No. 1, 30 doz. Case with Fillers complete 65 Cents.
Farmer's No. 1, 15 doz. Case with Fillers complete 55 Cents.
Cardboard Fillers for refilling 20 Cents.
15 per cent. discount on lots of 100 cases.
Batchelder's Egg Tester, 1 stg 6 doz. at once, saves to buyers many times its cost each season. Price \$3.00.

By special arrangements made by the manufacturers of this case most Railroads will receive them as fourth class freight.

The 15 dozen case made especially for Farmers' use, sent to any address by express, with out nailing, with full directions for setting up, on receipt of 50 cents. Every Farmer and consumer should have one of these cases, it will save its cost every month. Agents wanted in every county. Address,
